

ROUND PACKAGING

UNIQUE REUSABLE CONTAINERS WITH WORLD CLASS GRAPHICS

All Containers are not the same.

Take a look at the Ropak Advantages!

1

Round containers from Ropak Packaging combine the best of both worlds: high performance and easy access to the contents. Plus we have a container size, thickness and cover to meet all your performance needs in shipping, stacking and storage.

2

Our high performance containers are also easy to open and reseal for the ultimate in convenience, thanks to our unique, EZ Cover®. These tamper-evident covers are offered with various sealing characteristics in several sizes and performance levels. Most of Ropak's EZ Covers come with the patented Ring-Pull® feature, which intuitively points out and aids in cover removal.

3

With more than 34 round container styles available, Ropak has the right package for your specific application.

ROUND PACKAGING

UNIQUE REUSABLE CONTAINERS WITH WORLD CLASS GRAPHICS

VARIETY

- Our wide range of sizes and wall thicknesses will meet all your shipping, stacking and storage needs.
- Great for a variety of products – from frozen to hot-filled, dry to liquid and industrial to consumer.
- Optional clear polypropylene lets your product sell itself.

MERCHANDISING

- Maximum merchandising impact is ensured with World Class Graphics such as NXT Graphics® and IML (In-Mold Labeling) decoration.
- Covers and handles can be color-coordinated with the rest of the package to add extra pizzazz for maximum visual impact.

EZ GRIP™ HANDLE

Our patented EZ Grip handle, which is a two-piece all plastic handle with a rotating grip, allows the end-user to comfortably lift heavy packages. Most sizes also have built-in handgrips for easy handling.

EZ COVERS®

Ropak's EZ Covers enable easy opening and resealing to retain product freshness and provide tamper evidency. Most are offered with the patented Ring Pull® feature, which intuitively points out and aids in cover removal.
